The Borough assesses a ½% tax on wages earned by residents of the Borough, regardless of where employed. Taxes are collected through payroll withholding and are sent directly by an employer, and by those that are self-employed, to Keystone Collections Group, 546 Wendel Road, Irwin, PA 15642 (724) 978-0300.

### Local Services Tax (LST)

The Borough collects \$1.00 per week from each individual that works in the Borough, regardless of residence. The first \$5.00 collected from each individual goes to Clarion Area School District. The remaining \$47.00 is paid to the Borough and is used for Public Safety purposes, including road maintenance and police services. Anyone earning less than \$12,000 per year only pays the \$5 for the school district but must fill out an exemption form for his/her employer. This tax is also collected via payroll deduction and is sent directly by an employer to Keystone Collections Group at the address listed above.
